

NOT JUST A
RESIDENCE
BUT A STATEMENT
OF WHO YOU ARE

QUEENS PEAK

Distinctively Different

DISTINCTIVELY DIFFERENT AND ABOVE ALL TIMELESS

There are those who think little of details. And those who know that they are the very essence of life. For the latter, Queens Peak awaits.

Rising forty-four storeys into the sky across two residential towers, the sinuously contoured balconies give the façade a sculptural presence that at once evoke a sense of awe.

More than a mere residence, it is a landmark celebration of the finer things in life. A veritable design expression of 'less is more' elevated to the sublime, leaving you the enviable task of savouring an abode that is clearly distinctively different and timeless.

FORM AND FUNCTION INSPIRED BY NATURE

Good architecture is naturally elegant. It pushes the boundaries of design by integrating form and function. Inspired by nature, the artful contours create an illusion of movement, heightening the sense of how captivating the balconies are from the outside, as the views it provide looking out from within.
